NEWS DISPATCHES FROM THE INTERNATIONAL NEWS SERVICE.

VOLUME 9. MARYVILLE, MISSOURI, FRIDAY, JULY 19, 1918 NO. 40.

CHANGE IN COURSES

SEVERAL TO BE MADE AT OPENING OF HIGH SCHOOL.

A COMMERCIAL COURSE

Will Cover a Period of Two Years—No Longer Any Foreign Language Requirement for Graduation.

Pupils and friends of the high school will be interested in the changes which will be made in the courses offered, beginning at the opening of school this fall. While sixteen units of work are still required for graduation, the required courses have been changed. There will no longer be any foreign language requirement for graduation. German has been dropped entirely, but four years of Latin are still offered. One unit of algebra will be required hereafter, while one and one-half units have been required heretofore.

The new commercial department will be worth while for those students who intend entering business life instead of continuing their school work in college. Courses in shorthand, typewriting, bookkeeping, commercial geography, business spelling and penmanship, will be offered this year. A serond year's work in typewriting and shorthand, and commercial law will be added next year. The complete course will cover a period of two years. Freshmen and sophomores will not be admitted to this department save for some extraordinary reason. The course may be elected by beginning juniors, advanced juniors, beginning seniors and advanced seniors in the order named. This arrangement is made for the reason that pupils should have at least two years of high school work before attempting the course, and, also for the reason that the present beginning junior class will be able to complete the two-year course at the time of their graduation. It is not intended to admit special students to this department, as it is provided for the regular high school students.

The courses offered during 1918-1919 are:

Required for Graduation—English, 3 units; algebra, 1 unit; manual training or cooking, 1 unit; science, 1 unit; history, 1 unit.

Electives—English, 1 unit; algebra, one-half unit; mechanical drawing, 1 unit; sewing, 1 unit; science, 2 units; advanced arithmetic, one-half unit; Latin, 4 units; civics, one-half unit; economics, one-half unit; commercial, 4 units.

FUNERAL HELD YESTERDAY.

Services for Margaret Maxine Whitaker at St. Patrick's Church.

Funeral services for Margaret Maxine Whitaker were held at 9:30 o'clock yesterday morning at the St. Patrick's Catholic church, Rev. Father Henry F. Niemann officiating.

Lillian Murrin, Julia Stapler, Carrie Bertha Garten and Mary Rose Dougan acted as pallbearers, and Mary Ferritor, Darlene Garten, Margaret and Mary Rose Leuck, Louise Shriver, and Thelma Reimer were flower girls.

A CHAPTER FOR JACKSON

Red Cross Auxiliaries of That Township Organized This Week With Mrs. C. R. Green President.

The Red Cross auxiliaries of Jackson township organized a chapter this week. Chairman G. B. Roseberry, of the county Red Cross chapter, attended the meeting in Ravenwood held Monday evening for that purpose. The following officers were elected: Mrs. C. R. Green, chairman; Mrs. S. H. Leary, vice chairman; Mrs. C. C. Steiger, secretary; O. E. Smith, treasurer, and Emmett Bishop, chairman of the finance committee.

Installation of the officers and the general organization of the chapter will be held Tuesday evening at the Christian church in Ravenwood. Heads of the various departments will be named at this meeting.

SOISSONS WILL FALL BY NIGHT

Washington, July 19.—Soissons is tottering. Secretary of War Baker this afternoon predicted the city would fall before the French and American counter offensive before the day was over. Reports of the city's fall were not confirmed at the War Department.

Reports that over thirty thousand prisoners have been taken were circulated here.

London, July 19.—The French captured 16,000 Germans yesterday, it was learned this afternoon.

William F. Birkenholz, of Hazen, N. D., who has been visiting his parents, Mr. and Mrs. Lee Birkenholz, of near Pickering, returned to his home Thursday. From there he will go to a Northern training camp.

FOUR SONS IN ARMY

THEIR PARENTS ARE MR. AND T. E. HARPER, NEAR BLANCHARD.

TWO BOYS ARE IN FRANCE

The Boys Are Nephews of Recorder D. R. Baker—All of the Boys Are Volunteers.

Mr. and Mrs. T. E. Harper, living four miles east of Blanchard, in the northwest corner of this county, have their four sons in the army, two of them being in service in France with the Rainbow division. Mrs. Harper is a sister of D. R. Baker, county recorder.

The sons are Private Andrew Harper, Company K, 50th Infantry, Fort Douglas, Utah; Private Charles Harper, somewhere in France; Private Ernest Harper, Manilla, Philippine Islands; Private Will Harper, somewhere in France. All the boys are volunteers, and the youngest boy, Andrew Harper, enlisted when he was 18 years old.

In a letter from Will Harper, who is with Company E, 168th United States Infantry, somewhere in France, to his mother, he writes as follows:

"We are still up toward the front, but will get relieved pretty soon and get a short furlough when we get back. They have a kind of a summer resort at the seaside for the American soldiers. We are to get our service stripes any day now, for four months' foreign service."

A Red Cross quilt, which was auctioned off recently at Blanchard, and which brought $305.90, was given to Mrs. Harper, who was the moving spirit in the manufacture of the quilt, with the names of the Blanchard boys in military service.

ARE AGAIN DEPORTING BELGIANS

Amsterdam, July 19.—The German military authorities are again deporting Belgians. Word received today that the Germans are taking 10,000 from the Ghent district, 500 to 2,000 being carried off daily.

TO BE NO MORE OVERDRAFTS

Maryville Banks Issued Statement to This Effect Today Are Complying With a State Law.

The banks of this city, in a statement in this paper today, will not allow any more overdrafts. There is a state law to this effect. They will refuse to honor the check of any man, woman, firm or corporation, the payment of which would overdraw the account.

DEATH OF WASH MERCER

Washington F. Mercer, a prominent farmer of Nodaway county, died at 10:35 o'clock this morning at his home about five miles east of Maryville of a complication of diseases. Mr. Mercer had been seriously ill for only about three weeks, but had been in poor health for several months. He was almost 70 years old and is survived by his wife and eight children.

Mr. Mercer was born in Wayne county, Ky., and came to Missouri with his parents in 1855. He remained with his parents until after he was twenty one years old. He then purchased his present farm, making it one of the best improved in the county. Mr. Mercer donated one acre of his farm to the Mt. Ayr Methodist church; he also helped to build the church.

In 1867, Mr. Mercer was married to Miss Clarinda Wilson, was was born in Clark county, Illinois, and came to Missouri with her parents in 1865, settling near Maryville.

Definite arrangements have not been made for the funeral services, but they will probably be held Sunday.

See the good-looking hats on sale Saturday at the Dawson Millinery, for $2.00.

TO OPEN TOMORROW

THE INDEPENDENT OIL CO. OPENS ITS NEW HOME TOMORROW.

HAVE A FINE LOCATION

The New Service Station Is Situated Opposite the Postoffice—Maryville's Second Service Station.

The Independent Oil Company will open for business in their fine new home, at the corner of Fifth and Main streets, tomorrow, is the announcement of Manager Harry Mutz. The new service station of the Independent Oil Company is a very beautiful structure, and has a choice location, being directly across the street from the postoffice and on the main street.

The station has two large driveways coming in from either side, and two of the best design of Bowser gas pumps for filling purposes. The building is of high-grade stone, having an office and waiting room. A large roof extends out in front over the two driveways.

Two grades of gasoline, two grades of kerosene and several grades of oil will be handled at the service station.

Harry Mutz, manager of the Independent Oil Company, announces that as in the past the best of service and satisfaction will characterize the business in its new home.

This is the second service station to open in Maryville within the past month, the Standard Oil Company having opened its station some three weeks ago.

Lee Roy Houdeshell, Maryville, 4-A.
Nathaniel Merle Wheat, Burlington Junction, 4-A.
Charley Miller, Skidmore, 4-A.
Harry Russell Tilson, Maryville, 4-A.
William Benjamin Malam, Maryville, 4-A.

73 TODAY'S CASUALTY LIST

Seventy-three in the Casualty List of Army, Twenty-seven in the Marine List.

Washington, July 19—Seventy-three casualties are reported today by the War Department. One died of wounds, seven of disease, one by accident, fifty-eight were seriously wounded, and one is reported missing in action. In the marines the casualty contains twenty-seven names, sixteen killed in action and eleven died of wounds.

NO MORE OVERDRAFTS

We can no longer violate, with impunity, the laws of the State which prohibit overdrafts. Therefore,

On and After August 1, 1918

we will refuse absolutely to honor the check of any man, woman, firm or corporation, the payment of which would overdraw the account. This means all. There are no exceptions.

We regret that such drastic action is necessary, but the least any bank or individual can do is to be law abiding. This we have notbeen heretofore.

ALLIES ARE STILL PUSHING FORWARD

17,000 PRISONERS CAPTURED BY FRANCO-AMERICAN FORCES SINCE YESTERDAY NOON.

MORE AMERICANS IN BATTLE LINE

French and Americans Continued Counter Offensive Between Aisne and Marne and More Ground Was Captured.

Paris, July 19.—American units were thrown into the great Aisne-Marne battle at dawn today. The leap frogging divisions are already on the line and attacking along the entire front. The Americans under General Mangin captured 5,000 more prisoners and under Bogouttes 2,000 additional.

Paris, July 19.—Admist fighting of the utmost violence, during which the Germans threw fresh reserves into the battle, the French and Americans continued their counter offensive between Aisne and Marne last night, capturing more ground and increasing the number of prisoners, the war office announced at noon. Savage fighting is taking place over Soissons-Reims front.

London, July 19.—More than two hundred square miles of territory were captured by the Franco-American troops the first day of the big counter offensive on the Aisne-Marne front. The Germans are throwing in their reserves behind the Aisne in a frantic effort to block the drive.

London, July 19.—The Franco-American counter offensive on the Aisne-Marne front continued with irresistible fury today, the allies advancing two miles after a few hours fighting. The number of prisoners captured the first day of the counter drive reached more than 10,000, according to Reuter dispatches from Paris. General Mangin's army began fresh assaults this morning at 4:30, the Americans sweeping forward an hour later. The tanks gave magnificent support.

Washington, July 19.—The Americans' brilliant counter stroke, co-operating with the French in yesterday's offensive, is told in Pershing's laconic communique today. A section of the American troops co-operating with the French in an attack on enemy positions between Aisne and the Marne penetrated to the depth of several miles, capturing many prisoners and guns.

Paris, July 19.—The Kaiser and Von Hindenburg, who were with the Germans in the Champagne district, have taken serious alarm at the smashing counter offensive of the Franco-American army between the Aisne-Marne, and are reported hurrying toward Soissons. The allies are close to Soissons.

Washington, July 19.—With every official dispatch reporting the American forces still forging on at a headlong pace taking towns, guns and prisoners by the thousands, joy over the victory won is now joined with a supreme confidence that the turning point of the war is at hand.

After scanning the details of the brilliant and spectacular outflanking movement the Americans suddenly directed at the Germans southeast of Soissons, general staff officers, who long have contended for counter offensive tactics, declared their conviction that the allies are about to wrest the initiative from the Hun along the entire battle front.

ANOTHER CALL FOR MECHANICS.

Washington, July 19.—Provost Marshal Crowder issued a call today for 2,802 white men, and 600 colored men to train as mechanics, automobile drivers and other trades, beginning August 1 and 15.

GERMAN AIR RAID DRIVEN OFF.

Paris, July 19.—German airmen attempted a raid on Paris last night, but were driven off. No bombs were dropped on the city.

THE WEATHER

Warning to Threshers and Farmers.

It has just been called to my attention that a number of threshing machines began work Thursday afternoon when the grain was still quite damp from the recent shower, and I feel that this resulted in considerable loss of grain which went through into the stacks, and also that some of the grain which was threshed will probably eat in the car or bins.

I hope in future that both the farmers and threshers will be very careful and not attempt to do any threshing when the grain is wet from dew or rain, and the dealers should also refuse to buy any grain which is threshed when in unfit condition.

Let me again warn the farmers that after this date it will be necessary for me to report to headquarters every person I find using a rack for hauling grain which does not have a grain-tight bottom.

Yours truly,
F. P. ROBINSON,
U. S. Food Adm. of Nodaway County.

Drove From St. Louis.

Mr. and Mrs. Ed Lippman and two children, Pierce and Marjorie, of St. Louis, are visiting in Maryville with Mr. Lippman's mother, Mrs. Lizetta Lippmann, and Mrs. Lippman's mother, Mrs. M. A. Martin. The trip was made to Maryville in the Lippman car.

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Godden, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. Florence Isella, Box 197, North Haven, Conn.

In Such Cases

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

has the greatest record for the greatest good

LYDIA E. PINKHAM MEDICINE CO. LYNN, MASS.

FRED DYSON MADE A SCOUT

Boy Scouts in Camp on the Dyson Farm Voted Him in for the Interest He Takes In Them.

Boy Scouts in camp on the Fred Dyson farm, five miles southwest of Skidmore, have voted to make Mr. Dyson a life scout, as he has taken a great interest in their comfort and convenience, and has given them many unasked for privileges. Mr. Dyson has practically turned the big wood pasture over to the boys during their stay, and even his house and barn are at their disposal when they care to make use of them. The night before the rain Mr. Dyson appeared in camp and asked if some straw would not be a good thing to put on the floor of the tents. The boys at once got out their carts and in a short time every tent was bedded down with good straw. A good well on the Dyson place furnishes water for the camp.

An abundance of firewood, without cost, has furnished fuel for the kitchen and the campfires.

Mr. Dyson's neighbors also have taken an interest in the scouts and their camp, and ice and milk from the Twaddle farm, half a mile away, have been among the delicacies enjoyed. Neighboring farmers and their wives and children have been daily visitors at the camp ever since Monday evening.

CUT THE WEEDS TODAY

Property Owners Are Urged by the City and Commercial Club to Rid City of Unnecessary Nuisance.

At a recent meeting of the board of directors of the Maryville Commercial Club attention was called to the fact that property owners in Maryville were neglecting to cut weeds on their property.

It was suggested that perhaps the additional demand to do war work, increased farming, or, perhaps, negligence, were causes for the condition.

It is a fact that there are too many weeds in every section of the city. The weeds are an unsightly trimming for any property, and their existence in flourishing condition indicates a drop in the pressure of civic pride. An appeal to every citizen who is loyal to his city is being made by the Commercial Club and the city administrator, headed by Mayor W. O. Garrett. A few minutes a day for a week will allow every weed to be cut on all property in the city without any inconvenience, it is pointed out.

There is an ordinance on the city books, which has to do with cutting weeds. It is not expected that it will be necessary to enforce this law actively. However, those who do not think it is necessary for the beautification and health of their surroundings to cut the vegetation, proper recourse to the ordinance will be made. Both the city and the Commercial Club officers are taking an active interest in this movement, which is expected to rid the city of an unnecessary nuisance.

These organizations suggest that every property owner adopt the motto and put into effect the slogan, "Cut Weeds Today."

Miss Ruth Trout, of Tarkio, and Miss Margery Trout, of St. Joseph, who have been guests of their cousin, Miss Mary Margaret Richey, left this morning for their homes.

Mrs. Paul Ream, of Kansas City, is a guest at the home of her father, Joseph Jackson, Sr.

True Hollowell has arrived safely overseas, according to word received this week by his relatives in Maryville.

W. R. C. Meeting.

The regular meeting of the W. R. C. will be held at 2:30 o'clock tomorrow afternoon.

What W. R. C. Has Done.

The W. R. C. auxiliary of the Red Cross has made 1,023 first-aid kit bags, 166 triangular bandages, 253 many-tailed bandages, knit five pairs of socks, and four sweaters, 172 surgical dressings since June 11.

Dinner Party for Son.

Mr. and Mrs. Lee Birkenholz entertained at their home in honor of their son, William, who leaves soon for training in a Northern camp. Plates were laid for William Birkenholz, Mr. and Mrs. Charles Birkenholz and son, Linwood, Mrs. Oscar Pugsley and son, Arthur; Misses Opal, Audrey and Evelyn Birkenholz, Jewell Birkenholz and the host and hostess.

Gives Kensington.

Mrs. M. A. Lewis was hostess to a "kensington" yesterday afternoon, given in honor of Mrs. W. F. Smith, of Houston, Texas, and Mrs. F. M. Petty, of Cleveland, Ohio. Dainty refreshments were served by the hostess, assisted by Mrs. Charley Jensen and Mrs. Emery Airy. The guests included: Mrs. Rodney Hamblen, Mrs. John Airy, Mrs. R. S. Braniger, Mrs. John Sewell, Mrs. M. Rittenour, Mrs. Blake Alexander and daughter, Maude, Mrs. Jerry Smith, Mrs. S. A. Coile, Mrs. Frank Compton, Mrs. Charles Wadley, Mrs. J. A. Ford, Mrs. Margaret Pierce, Mrs. Sam McClurg, Mrs. J. T. Laville, Mrs. Fred Kurtz, Mrs. C. D. Hooker, Mrs. Ed Wolfert and the honor guests.

Dodds—Wood.

Miss Margaret Irene Dodds and Dr. W. Logan Wood, of Bolckow, were married yesterday afternoon at the home of the bride's mother, Mrs. Margaret Dodds, in Bolckow, the ceremony being performed by the Rev. W. A. Chapman, of Rosendale. Immediately following the ceremony, the bridal couple, accompanied by Mr. and Mrs. W. E. West, left in a touring car for Chicago, the Great Lakes and summer resorts in Minnesota, where they will spend several weeks. Upon their return, Dr. Wood expects to enter the service of the War Department in response to its call for physicians and surgeons.

Culverson-LaVelle Wedding.

Miss Thelma Culverson and Frank LaVelle were united in marriage at the Catholic church in Casper, Wyoming on July 16, the Rev. Father Mullen officiating. Mr. LaVelle is the son of Mr. and Mrs. M. J. LaVelle of east Maryville. The young couple will make their home in Casper. Mr. LaVelle is foreman in the pipe fitters department of the Middle West Oil Refineries.

Will Your Present Policy Replace It?

If fire should attack your home today, could you replace it with the Policy taken out several years ago?

The man who has built a home within the last three or four years, will tell you, your *old Policy* is only *half protection.*

THE INCREASED COST OF EVERYTHING from building material to wages has raised your old valuation so much, that an increased amount of insurance is imperative if you would be fully protected.

YOUR OLD POLICY WON'T REPLACE EITHER THE FURNISHINGS OR THE BUILDING AT PRESENT PRICES.

INSURE THEM TODAY for what they are worth; tomorrow may be too late.

WE WRITE ALL KINDS OF FARM AND TOWN INSURANCE. Try a short term Grain Policy. Covers all grain and seeds of all kinds, while in dwellings, granaries, barns, cribs, bins or in stack, shocks or sacks on the premises.

TRAINED NURSE ADVISES PEOPLE.

"I was a great sufferer of stomach and liver trouble and cannot say enough in praise of Mayr's Wonderful Remedy. It has done so much for me and I am recommending it to other sufferers. I was a trained nurse in Marine and other hospitals years ago, therefore many come to me for advice. I certainly received great benefit from Mayr's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal muceous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Drug Co., and druggists everywhere. —Adv.

Broth that is made from the beef we sell will make you smack your lips. All of the choice meats to be found in this market are appetizing and nutritious. No wonder Mr. Party boosts for our meats.

Farmers F1-15.

Y. M. C. A. WANTS 1,000 WOMEN.

One thousand women are wanted by the Y. M. C. A. to go overseas to work among the expeditionary forces. They must be willing to wash dishes and scrub, as well as stand long hours selling chocolate and cigarettes and biscuits to the soldiers.

Strengthen the Bridges.

The increasing use of motor trucks and tractors on the public roads makes it necessary for road overseers and county highway engineers to look carefully after bridges and culverts. The State Highway Department requires that bridges and culverts must carry a 15-ton load. Driving over a weak bridge or culvert with a threshing outfit or a heavily-loaded truck is a danger that should be avoided.

A Comedy Tonight.

An immense crowd attended the Dubinsky Bros'. show last night in the big tent. The drawing card last night was "The Kaiser, the Barbarian of Berlin." The play was thrilling throughout, the players displaying first class ability. Tonight "The Rabbi's Daughter" will be presented. This play is said to abound with humor and to be something different from the ordinary comedy.

IN AUTOMOBILE ACCIDENT

Mrs. Alice Cook, of Burlington Junction, is in St. Francis hospital as a result of injuries sustained about the head when an automobile in which she was riding, driven by her daughter, Mrs. Myron Sewell, went into a ditch on Prathur avenue shortly after 3 o'clock this afternoon.

The accident occurred when Mrs. Sewell, in attempting to pass another car ahead, lost control of the car and was unable to prevent it from going into a ditch at the side of the road. Mrs. Cook and Mrs. Sewell's baby daughter were thrown out of the car and Mrs. Cook was hurt severely about the head. The baby was not hurt.

At a late hour this afternoon the extent of Mrs. Cook's injuries had not been fully determined, but it is thought that they will not prove serious. Dr. Vilas Martin is the attending physician.

The car driven by John Lawson and Emmett Edwards was somewhat damaged this morning when it skidded and ran into a ditch. Both men luckily escaped injuries. They were on their way to Maryville when the accident occurred.

RULING AS TO SALE OF NAILS

According to a St. Joseph newspaper, new government rulings relative to the sale of builders' hardware, such as nails and similar material for repairs, which may be sold only for agricultural purposes, have been received in that city by the hardware dealers. The Maryville hardware dealers have received no notice of it, but were in receipt of a letter from the Wyeth Hardware Company, of St. Joseph, a wholesale house, stating that the wholesale houses were required to exact a pledge from the dealer that the nails are to be used in the following manner either for agricultural purposes or by mills, grain elevators, packing houses, railroads, coal miners or oil companies.

The St. Joseph paper stated the dealers are not permitted to sell nails for repairing a roof. A dealer in that city said a man wanted to buy a keg of nails to prepare crates to ship furniture, and they could not be sold to him.

Lloyd B. Heifner enlisted in the navy at Kansas City yesterday and will report for duty in a week.

OLD PAPERS for sale at this office.

Revival services will be held, commencing Sunday, at the Methodist Episcopal church in Conception Junction, conducted by the Rev. C. H. Hudenschield, of Los Angeles, Cal.

Ugly, Unsightly Pimples Are Signals of Bad Blood

Give Heed to the Warning.

Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, scaly eruptions and other skin disorders that burn like flames of fire.

They mean that your blood needs S. S. S. to purify it and cleanse it of these impure accumulations that can cause unlimited trouble. This remedy is the greatest vegetable blood purifier known, and contains no minerals or chemicals to injure the most delicate skin.

Go to your drugstore, and get a bottle of S. S. S. today, and get rid of those unsightly and disfiguring pimples, and other skin irritations. And it will cleanse your blood thoroughly. If you wish special medical advice, you can obtain it without charge by writing to Medical Director, 29 Swift Laboratory, Atlanta, Georgia.

MOLINE UNIVERSAL TRACTOR
It Solves The Farm Help Problem

A nice bunch of interested farmers witnessed the performance of this Tractor yesterday at the agricultural grounds of State Normal Schools—operated by a farmer who never drove a tractor down a furrow before and what he did is very commendable and may be done equally well by YOU.

Today this Tractor is operating a thresher; same grounds and should be seen to be appreciated. Get further information at

Hall's Implement Store

The Truth Concerning The Furnace Situation

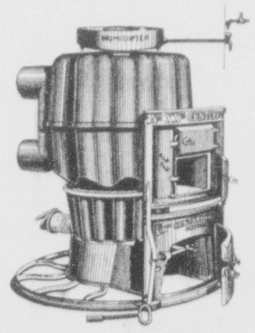

Furnace factories not operating at least part of their plants on Government work are not allowed to use any more iron during the war—this means that the production of furnaces will be cut very low. Some sizes of furnaces will be discontinued and after the present stock is exhausted it will be impossible to get any more.

The coal situation is such that furnace heating is without doubt the most economical and the surest.

These facts not only show that your home should have a good furnace, but that in order to be sure of getting one in the next few years you should get it now.

We have two makes of furnaces—both made by manufacturers who are running their factories on government orders. Both of them are supplied with a good stock of furnaces, both say that they will try to fill all orders, but that the first business is to win the war, and if we can't win the war and make furnaces both, we will stop making furnaces until we WIN THE WAR.

The XXth Century Furnace
Pipe or Pipeless

Is an exceptionally good furnace. The fire box—the main thing about a furnace—is constructed to allow an air circulation to burn the gases from the coal. This makes it possible to use the cheapest grade of coal and get ALL THE HEAT OUT OF IT. A XXth Century Furnace will pay for itself in coal saving.

The Home Ventilator

One of the best Pipeless Furnaces for use in a small or medium sized home. It is the cheapest furnace to install because there are no pipes to cut into the floors and walls, and as all the heat radiates from one register, there is no waste heat. The system is ideal—radiating heat by natural circulation and ventilation.

Come and talk to us about your heating problems NOW. Whether you install a furnace or not, we will be glad to show you these extra good makes and tell you what it will cost to put one in your home.
